Positions :1

Location: Voi - Taita Taveta County

Reporting to: Clinician Officer/ in Charge of DIC

Job Purpose/Objective

The HAPA KENYA with funding from Global Fund (GF) through Kenya Red Cross Society (KRCS) implements the Key Population HIV prevention program in Mombasa, Kwale and Taita Taveta Counties - Coast region of Kenya.

Working closely with other Key Program staff with direct supervision from the Clinical Officer / DIC in charge (HAPA KENYA), we seek for candidate to fill the position of the HTS provider who will ensure provision of quality HTS services as per the National Guidelines (NASCOP) to Key Populations at our Taita Taveta county, Voi sub-county HAPA Kenya branch.

Key Responsibilities

Project Implementation, Monitoring & Reporting.

- Provide HIV counselling and testing services (HTS) to all key population clients as per the national HTS standards both at the site and outreaches.
- Maintain links with key populations who test positive for complete linkage and support.
- Document and report complete linkages for HIV positive Key population clients.
- Maintain confidentiality of HTS services through keeping safe under lock and key all the client data.
- Conduct risk assessment and risk reduction counselling as per the needs of the key population clients.
- Keep HTS commodity records and make appropriate test kit orders.
- Make appropriate referrals as per the needs of the client.
- Ensure good/ safe storage of the HTS commodities for quality service results.
- Respect human dignity and be non-judgmental to key population clients.
- Distribute condoms and lubricants as per the needs of the clients.
- Ensure proper documentation of consent forms prior to enrolment.
- Generate and submit reports to the site in charge by 2nd of every month.
